The Colorado State Republican Party Officially Endorses Greg Lopez for the CD4 Special Election on June 25th

Greenwood Village, CO - Greg Lopez, former Mayor of Parker and President of the Colorado Hispanic Republicans, has fought for Colorado for decades. Lopez currently sits on the Board of Protect Kids Colorado and works hard for candidates and causes across the State of Colorado.

Lopez led a valiant effort to take the seat vacated by outgoing Congressman Ken Buck in CD-4 and won the vacancy process to be our nominee in the Special Election. He also chose not run for the regular election at assembly for CD-4 and, instead, is holding the seat and until Congresswoman Boebert likely assumes office in January of 2025.

We are grateful for the hard work Lopez performs every day in our state, the distinction he brings to Colorado Republicans, and his willingness to champion grassroots conservatism in Washington D.C. this year.

Greg Lopez has the full endorsement of the Colorado GOP in the June 25th Special Election for CD-4.
